### MEETINGS

All the meetings and events are organized for members of all three circles. LC Latvia is working to increase the number of circlers, so we hope that our three circles will become stable this season and we will grow in the future.

### September

On 22th of September we opened our 20th Anniversary season. Meeting was shared in to 2 parts – the first one with official presentations by our national president Evija (opening speech and plans for new season) and IPP Ilze (LCI AGM Report) and the second one – meeting with chiromantist. It was exciting to get any information about our lifes which is written in our hand lines.

### October

Realizing „side-by-side” principle members of LC Latvia, RT and Club 41 went to see the Opera „The Barber of Seville” by Gioachino Rossini in Latvian National Opera.

- In cafe „Kūkotava” we baked Salt Pie filled with cheese, meet and vegetables. Cafe owner and TV-show „Fox in the Kitchen” presenter Liene was so kind and taught us how to bake a pie. It tasted delicious accompanied by a glass of a red wine 😊.

- Our charity project is on air! We met girls and their teacher in bowling centre! Girls were happy about the chance to be in an unusual environment because there are not so many possibilities for them to go to different events. In a free atmosphere they told about themselves, their interests and weekday.

## November

- Circlers tried something new in november – nordic walking!

- National Bord of LC Latvia met RT Latvia to discuss both plans for season, cooperation in field of charity, and AGM 2012. „Side-by-side” principle is working!

## December

- December is time of year when people are preparing for Christmas and are looking for gifts. How to make self-made gift – our Treasurer Inga showed it. We made bath bubble balls.
- The National Board meets to discuss the MTM plans, The National AGM, our 20th Annyversary and other events.

- Thanks to our IPP Ilze it was possible to present tickets for our teenage girls to go to concert of INSTRUMENTI, popular Latvian music band. See <http://www.instrumenti.in/>

## INTERNATIONAL TRAVEL

- Ilze, our IPP took part in LCI AGM in Hamburg. As always it was time full with positive emotions, new friends and so many smiles!

We are so proud that our IPP Ilze had decided to stand for Vice-President of LCI Bord. Unfortunately Ilze wasn't elected, but we hope that this dream will come true in the future!

- **There is one more thing we are proud – Latvia is the hosting country of Nordic Countries MTM in 2013.**
